

Supply Chain Savings for Healthcare Organizations

Achieve double digit savings on products and services you buy every day.

Premier has the leading purchasing program for alternate site healthcare facilities with over 250,000 members who are taking advantage of a comprehensive cost reduction program to operate more efficiently. As a leader in alternate site supply chain management, Premier has built a product portfolio that balances cost and quality. **Join us today!**

Premier's Group Purchasing program includes products and services for:

- PPE & Medical Supplies
- Housekeeping & Sanitizing Products
- Pharmacy
- Foodservice Equipment & Disposables
- IT/Telecom
- Office supplies, protective barriers & touchless business equipment (door entry, faucets & soap dispensers)
- Facilities (maintenance, repair and operations)
- Laboratory supplies
- Medical nutritional products and supplies
- Capital equipment (procurement and planning)
- Administrative/HR solutions

 **MEDICAL SUPPLIES**
Access a broad spectrum of supplies from gloves to incontinence and wound care, to IV supplies and equipment.

 **PHARMACY**
Access contracting and knowledge transfer services that help you maximize the therapeutic and economic value of pharmaceuticals and medication use systems.

 **FOODSERVICE**
From chicken to juices to green and sustainable products, the agreements cover your every need through top-quality manufacturers and a full-range of offerings.

 **IT/TELECOMMUNICATIONS**
Access products and services such as cellular voice and data services, PCs, monitors, printers and copiers.

 **OFFICE SUPPLIES AND BUSINESS EQUIPMENT**
Access a wide array of office supplies, from furniture to toner cartridges, pens, paper, folders and even copiers and fax machines.

 **FACILITIES (MAINTENANCE, REPAIR AND OPERATIONS)**
Designed to substantially reduce costs related to the procurement of equipment, supplies and services used for facilities operations and construction, our contracts offer outstanding value. From can liners to flooring, plumbing products to HVAC equipment controls and supplies, you'll find it all.

 **LABORATORY SUPPLIES**
Access new technologies for equipment, supplies and services. Contracts include blood glucose meters, blood specimen collection, reference laboratory and laboratory distribution.

 **CAPITAL EQUIPMENT (PROCUREMENT & PLANNING)**
Save on purchases of capital equipment such as exam room furniture and imaging equipment - as well as on construction or renovation projects.

 **ADMINISTRATIVE AND HUMAN RESOURCES**
Save on administrative services and offerings such as car rentals, advertising, background checks, satisfaction surveys and service awards.

Here are some of the additional resources available to you:

Procure to Pay Solution:

A comprehensive electronic procure-to-pay solution that provides improved supply chain management visibility and control.

Supply Chain Advisor:

Web-based contract catalog, price activation, contract management, and additional contracting news and resources.

Group buy and EXPRESSbuy™:

A time-limited opportunity for members to purchase products at a reduced price.

Employee Discount Program

Negotiated price reductions for many products and services that employees can enjoy.
